The 14th International Conference on Electrical Engineering/Electronics, Computer, Telecommunications and Information Technology or ECTI-CON 2017 (IEEE Conference Record Number #38636) is the fourteenth annual international conference organized by Electrical Engineering/Electronics, Computer, Telecommunications and Information Technology (ECTI) Association, Thailand. The conference aims to provide an international platform to present technological advances, launch new ideas and showcase research work in the field of electrical engineering, electronics, computer, telecommunications and information technology. Accepted papers will be published in the Proceedings of ECTI-CON 2017 and will be submitted for inclusion in the IEEE Xplore. Acceptance will be based on quality, relevance and originality.

Technical Tracks

- | | |
|---|-----------------------------|
| 1. Devices, Circuits and Systems | 6. Electrical Power Systems |
| 2. Computers | 7. Power Electronics |
| 3. Information Technology | 8. Signal Processing |
| 4. Communication Systems | 9. Other Related Areas |
| 5. Controls, Instrumentation and Measurements | 10. Special Sessions |

Special Sessions

A proposal for a special session can be submitted to the special session chair before the deadlines. The session topic can be varied upon one's interest but still relate to the role of Electrical / Electronic Engineering, Computer, Telecommunication, Computer and IT.

Best Paper Awards

Paper with the highest score of a track that holds more than 10 papers will be nominated as a "Best Paper Award" paper.

Important Dates

Deadline for Special Session Proposal	15 February 2017
